

OFF SEASON TRAVEL ...Great Savings

Do you hate crowds? Why not travel in the off season? You get the benefit of lower rates and no long queues. For example: Pick up a 4 berth with shower and toilet in Amsterdam for any 2 month period between 01Oct-31April and it would only cost €42.50 per night - or take the same vehicle for 3 months and it costs €38 per night. I doubt you could find a hotel for 4 persons at €38 per night ! In high season this vehicle would cost you €130 per night! What a saving ! If you don't want to travel for 2 months, consider starting in Germany. Here you just have to book a minimum of 28 nights and we will give you a whopping 20% of the lowest season rates. The same 4 berth with shower and toilet would only cost Euro 59 per night. This same vehicle would cost you €99 in high season! In Germany we can offer you a choice of 4 depots : Frankfurt, Dusseldorf, Hamburg or Munich.

If you want to travel in the USA or Canada...we have a number of offers for you to choose from. With Cruise America & Cruise Canada they let you choose one of 5 money saving offers. Choose from free one ways, buy 14 nights and get 14 nights free, buy one mileage pack and receive one free or choose an early morning departure & late return with free return transfers. With El Monte, they are offering 3 weeks for the price of one and throwing in a free transfer and 500 miles. The cost for 21 nights would only be USD\$362 ...that's cheaper than car hire and even cheaper than staying at home!
