

JUNE 2002 Newsletter

Time is running out for those travelling to Europe for their summer. Availability of motorhomes is becoming a very real problem. Remember everything including the Tour de France happens in July/August. For those lucky enough to have secured their flights, motorhomes, cars etc please ensure that you have taken out your travel insurance. Travel insurance costs the same whether you pay for it 12 months prior to the start of your trip or the day before you depart but you are only covered from the moment the policy is issued. As we specialise in cars & motorhomes - the excess applicable to these products can be covered 100% which means you do not have to take out the excess waivers offered to you at time of pick up. In the case of a motorhome the excess waivers can cost \$24 per day - so the saving you make on a 2-3 week trip can actually pay for your travel insurance policy.

For those planning a longer trip in a motorhome - consider our Winter Special out of Amsterdam. You can travel for 2 or 3 months for less than a cost of a month in high season or for even longer holidays - we offer a BuyBack scheme. You purchase a second hand motorhome and our depot guarantees to buy it back at the end. If you prefer a longer trip in a car - we offer great car leasing deals .

These deals were so terrific that Renault leasing has sold out completely and we are experiencing stop sells on certain vehicles with Peugeot.
