

**THE EARLYBIRDS ARE COMING TO A END!!**

Just a reminder that most of our Earlybird deals are coming to an end on 31March03. It would be a shame to miss the upgrades, free days and subsidised deliveries. On a car lease, it could save you as much as \$556.

**So is availability....** We are struggling to confirm clients first, second and even third choices of boat and find they have to change their dates and even base. Demand always exceeds supply over the summer months for the increasingly popular canal boat holiday. If you've never contemplated a canal boat holiday – now is the time. Ask for a brochure. The glorious pictures will soon have you planning! There is nothing nicer than a group of friends or family sitting on deck, sipping local wines and watching the sun go down after a day of sightseeing, sunshine and fun – replete from sampling the local specialities and produce offered in small rustic restaurants. We offer these memory making trips in France, Holland, Germany, Italy, Spain, Belgium, Portugal, UK, Ireland and from this year, the USA.

**A more positive note: OUR EMIRATES FLY/HOLIDAY AIRFARES HAVE JUST BEEN RECEIVED....**

We choose to promote Emirates because of the numerous awards they just keep on winning! They have just been named "Passenger Service Airline of the Year by leading US aviation magazine Air Transport World". As our Fly/Holiday airfares are so special – you do have to book them in conjunction with our cars, motorhomes, canal or riverboats, coach tours or Chateaux Air Tours for departures ex Australia.
